

STAR MONTHLY MAINTENANCE CONTRACT INCLUDES:

- Monthly walk-thru of entire property.
- Inspection of all canal screens, floats, heads, valve lines, solenoid vacuums, pipes, risers, and check valves.
- STAR agrees that the service contract will include at no additional cost to the customer that all of the above will be replaced or repaired.
- Make recommendations of adjustments, relocation of heads, or additions if needed for 100% proper coverage.
- Submit to you in writing an estimate for all recommendations for approval before any work is started.
